Recycling Service

Notice of Discontinuation of Recycling Service at YJYC

DUE TO CONTINUED ABUSE, the Town of Pinetop-Lakeside is discontinuing recycling service at the Yellow Jacket Youth Center effective immediately.

The Town of Pinetop-Lakeside has sought to provide numerous recycling bins at various locations in a cooperative effort with Town residents seeking to be wise stewards of our community and resources. We are disappointed that continued dumping of non-recyclable items at this location has forced the Town to discontinue this valuable service.

Any disposal of recycling material or any other material at this location is henceforth prohibited. Violators will be subject to civil violation and fines up to \$500. Additional information can be found on the Town Website: www.pinetoplakesideaz.gov or by visiting or calling the Pinetop-Lakeside Public Works Department: 958 S.
