Citizen Commendation & Complaint Form

It is the commitment of the Pinetop-Lakeside Police Department to investigate all complaints against the department and/or its employees. Any person, regardless of age, sex, or nationality, who believes they witnessed or has direct knowledge of possible police misconduct, may file a complaint with the department.

Generally, complaints are filed through the supervisor of the employee involved but other supervisors may take the complaint. If you wish to speak with a supervisor, you may call (928) 368-8800. After a thorough investigation of the complaint, the employee's supervisor will contact you in writing. You will be advised of the supervisor's findings and whether disciplinary action will be taken. You will not be advised of the specific disciplinary action taken.

It is also the commitment of the Pinetop-Lakeside Police Department to investigate all employee commendations. Commendations are highly appreciated and recognize staff showing exemplary behavior, courtesy and tact in their duties, responsibilities, or operations. If you should choose to acknowledge an officer who protects our community's values by commending them, you may use this form as well or contact (928) 368-8803.

Forms may be dropped off at the police department, 1360 N. Niels Hansen Lane, Lakeside, AZ 85929.
