

**TOWN OF PINETOP-LAKESIDE**

**RESOLUTION NO. 23-1683**

**A RESOLUTION OF THE MAYOR AND TOWN COUNCIL OF THE TOWN OF PINETOP-LAKESIDE, ARIZONA, APPROVING THE LEASE PURCHASE OF A NEW BOBCAT® L28 ARTICULATED LOADER THROUGH A COOPERATIVE PURCHASING AGREEMENT IN THE AMOUNT OF \$76,730.35; AND AUTHORIZE THE TOWN MANAGER TO EXECUTE ALL DOCUMENTS NECESSARY TO COMPLETE THIS TRANSACTION.**

**WHEREAS**, the Town of Pinetop-Lakeside (Town) Town Council approved the amount of \$72,000.00 in the FY 2023/24 Budget and the Town's Capital Improvement Plan (CIP) cites the purchase of a New Bobcat L28 Articulated Loader; and

**WHEREAS**, the Town staff has reviewed the equipment's specifications and price for conformity standards, and price. (Exhibit A); and

**WHEREAS**, Town staff deems it prudent and cost-effective to utilize the State Cooperative Purchasing Agreement to purchase the Bobcat L28 Articulated Loader (Exhibit B), and

**WHEREAS**, the Town is in agreement with the terms and conditions set forth in the Finance Proposal and Payment Schedule (Exhibit C), subject to annual appropriation;

**NOW, THEREFORE, BE IT RESOLVED**, that the Mayor and Town Council of the Town of Pinetop-Lakeside, Arizona believe that the terms of said Lease-Purchase are in the best interests of the Town for the acquisition of such equipment; and hereby affirm and confirm that:

the Equipment is essential to the function of the Town and the services provided to our citizens; that we have an immediate need for the Equipment which is not temporary or expected to diminish in the foreseeable future; that we will use substantially all the Equipment for the purpose of performing one or more of our governmental or proprietary functions consistent with the permissible scope of our authority; and

the Town Council designates the Town Manager to execute and deliver, and to witness or attest, respectively, the Lease-Purchase and any related agreements, instruments and documents necessary to the consummation of the transactions contemplated by this Lease-Purchase.

**PASSED AND ADOPTED** by a majority vote of the Mayor and Town Council of the Town of Pinetop-Lakeside in an open meeting on this 3<sup>rd</sup> day of August 2023.

**ATTEST:**

**Bobcat Articulated Loader Brochure**

**Bobcat**

**Small Articulated Loaders**

L23, L28

*One Tough  
Animal*®

### **IMPRESSIVE PRODUCTIVITY AND VERSATILITY**

The Bobcat small articulated loader is made to tackle a wide range of tasks in small spaces. In addition to its impressive lifting power, this loader can use a variety of available attachments – so you can do even more. From grapples and angle brooms to snow removal attachments, there's an attachment available for every job.

### **AGILE, TURF-FRIENDLY DESIGN**

The Bobcat small articulated loader's articulation joint enables tight turns and minimizes damage to finished surfaces. It allows the rear tires to follow the front tires as you maneuver the machine, ensuring that you can navigate easily through tight spaces while saving time and expense on ground repairs.

### **LEADING COMFORT FOR OPTIMAL PRODUCTIVITY**

With a spacious cab that's designed with operators in mind, Bobcat elevates small articulated loader comfort to new standards. Easy-to-use controls ensure that experienced professionals and beginners alike can maximize their productivity. Plus, a variety of creature comforts make every minute in the cab more enjoyable.

## PERFORMANCE

TURN AND BURN THROUGH  
**BIG TASKS.**

From material handling to grounds maintenance, this machine fits right in to rise up to the challenge. The small articulated loader features a tight-turning articulation joint that allows maneuverability in confined spaces. Combined with the machine's turf-safe mode, this powerful machine limits the chance of disturbing turf as it turns or hauls a load. Its impressive lifting capability is housed in a compact machine that easily works inside fenced-in landscapes, pens, nurseries and more.

### **HEAVY LIFTING CAPACITY. SMALL PACKAGE.**

The Bobcat small articulated loader can lift and handle heavy loads. You'll get excellent lifting capacity in a compact machine with access to a wide range of jobsites.

### **MECHANICAL LEVELING ASSIST**

When handling materials up high, Bobcat small articulated loaders make operation easier by maintaining optimal bucket rollback at full height and reducing material spillage.

### **L28 TELESCOPING LIFT ARM**

The L28 lift arm extends to a lift height of 104 inches, which gives you extra reach for all kinds of unique work challenges. The telescoping lift arm includes an innovative dual-cylinder design that keeps the load level as you move the bucket. The telescopic cylinder is synchronized with a hydraulic leveling link, providing leveling assist and minimizing spillage over the back of the bucket.

### **LOW-RPM, HIGH-TORQUE ENGINE**

The dependable 25 hp, 2600 rpm engine provides generous torque at a lower rpm, providing superior performance when pushing the machine to its limits.

### **EFFICIENT COOLING**

With an efficient cooling system, Bobcat small articulated loaders offer leading performance for improved operation along with great component protection. Side and front inlets bring cool air into the engine compartment and send it through the screened rear exit. The rear radiator screen is removable for easy cleanout, and its corrugated steel construction provides excellent durability. A separate temperature-controlled hydraulic oil cooler operates as needed to ensure quieter operation as well.

*Image shows optional counterweight.*

### **STANDARD AND OPTIONAL COUNTERWEIGHT**

The standard integrated counterweight optimizes lift capacity and gives extra protection for the machine's rear covers and cooling package. You can maximize lift capacity even more by adding the optional counterweight.
