3	Could use a grocery option such as Sprouts or Fry's but not a dire need	11/13/2022 12:02 PM
4	We need more activity and places for the kids to go. Cleaner movie theaters. Cleaner roads and more restaurants and a Costco or a Target.	11/13/2022 11:37 AM

6	Grocery stores are over crowded and super expensive compared to other places in Arizona-need a Costco or something like that to help	11/13/2022 11:26 AM
7	Paved trails or green belt! Something to bike/run on even if it has rained/snowed recently. Both of these make the trails highly difficult for significant amounts of the year. The most reliable paved "trail" is White Mountain's sidewalk. This is not peaceful nor enjoyable. But miles of paved options would be amazing from up in Pinetop down through Lakeside. Or even completing Woodland's sidewalk and putting one in all up Woodland lake. That road is nuts to try to bike or run on with zero shoulder.	11/13/2022 11:22 AM
8	Give the RE:center funds to help address the growing addict and homeless population.	11/13/2022 11:21 AM

19	Lack of access to recycling. Community has absolutely no care for environmental issues	11/13/2022 10:46 AM
20	The roads are horrible. There are not enough grocery store choices. My particular road is very noisy and it is in a retirement community. The amount of big trucks and loud vehicles is ridiculous.	11/13/2022 10:34 AM
21	Road conditions are horrible	11/13/2022 10:30 AM
22	road maintenance	11/13/2022 10:29 AM
23	Crappy road conditions. Although the main roads are well cleared during the winter months (regarding snow), the condition of the roads is horrific! Filling pot-holes isn't good enough. The streets need to be redone...period. Speeding is a large issue too! I want my sons to learn how to drive here, but there are way too many crazy drivers on the main drag most days. Scares me sometimes when I'm driving my boys to school. Also: The main drag has some of the UGLIEST buildings lining the road that I've ever seen!!! I do not understand how the owners of these buildings are allowed to leave them in such a disarray. They make our community seem "cheap" and are not inviting at all!	11/13/2022 10:13 AM

38	an extreme lack with good sidewalks and bike paths	11/13/2022 8:44 AM
39	Lack of affordable childcare and housing for lower middle class families. (Make to much for assistance but not enough to pay the ridiculous prices for housing or childcare).	11/13/2022 8:41 AM
40	Rainbow Lake Dr is sometimes impossible to turn left onto. I have sometimes had to turn right and then turn around just to get on the road. Childcare here is also a huge problem. There seems to be a mountain consensus of the people here who don't have strong work ethic. Blue Ridge is way too big there should be other options smaller for schools. It would be ideal to also have our own splash pad and aquatic center like show low. We often drive out to snowflake to use the splash pad there in the summers.	11/13/2022 8:39 AM

61	Need to address the vacation rental business. The sheer number of them in certain areas are ruining our neighborhoods. We used to have neighborhood get togethers now we don't have neighbors, we have businesses next to us.	10/16/2022 10:25 AM

71	To conservative. Not many places for vegan meals. Not welcoming to non-republicans.	10/15/2022 5:11 PM
72	More lighting in the streets is very dark and more so when children go to school early or leave work young etc.	10/15/2022 11:29 AM
73	No centralized community area within the town proper for meeting and gathering events/ park and walk/shoping area to centralize buisness and allow the community to become more walk and bike frendly. A cenralized community/shopping district within the town proper would also help to decrease trafic. As it is, businesses/eating/events are spread throughfhout the town along the highway forcing all trafic onto the highway to get from place to place. This increases trafic and congestion.	10/15/2022 11:07 AM
74	We need affordable grocery options that aren't Walmart! More shopping options.	10/15/2022 10:24 AM
75	Entertainment for families! We need good clean fun especially for teenagers!! We no longer have a bowling alley or ice skating or roller rink. We drive to Show Low, Sunrise, Flagstaff, and the Valley for entertainment. It's sad and getting old. Definitely a reason to move. We have too many empty commercial buildings! Downtown Lakeside has a ton of potential as a town square but it just looks rundown and poor. Thanks	10/15/2022 9:39 AM
76	There is no means for we as a community to speak to each other and reason together, without being censored. There are major national and international issues That MUST be discussed if we are to survive as a community, or a nation for that matter. White Mountain Independent is a left-wing rag that censors. The Nextdoor app is even worse. We need a community free speech website where we can discuss important issues without political censorship. We are a divided community and a divided nation, and we need to talk. The only rules to be enforced are to maintain courtesy and civility. Let us reason together.	10/14/2022 4:25 PM

84	poor communications infrastructure - cell service, internet, etc.	10/14/2022 7:18 AM
85	The ice and snow. Making our streets safer to drive on, heavey rains, you can barely drive in the slow lane, the water is too deep	10/14/2022 12:22 AM
86	A cap put on AirBnB's and other short term rentals	10/13/2022 11:25 PM
87	Everything is overcrowded in the summer; I guess that shows how attractive the area is to visitors.	10/13/2022 9:18 PM
88	I was ridiculed by a police department I did not call. I called the County because I live in the County. I will never call for law enforcement again. They sent a P/L officer who was extremely rude.	10/13/2022 9:00 PM
89	Better grocery stores. At least more. Safeway treats the community poorly.	10/13/2022 8:10 PM
90	Run down buildings on the 260 & our roads.	10/13/2022 7:42 PM
91	Neighborhood roads suck as well as maintaining the building code within the town. I.e allowing people to live in their RVs on the back of private property and then building on those RVs.	10/13/2022 5:36 PM
92	More grocery store options... Costco, Trader Joe's	10/13/2022 3:26 PM

102	Our working class that supports all our local restaurants, grocery stores, fast food etc. can't afford to live her because the cost of living has risen so greatly over the past 2 years.	10/4/2022 8:02 AM
103	Need more traffic control on highway 260, from post office to honda	10/3/2022 12:05 PM
104	Left wing policies from the CA, OR, WA, and CO invading this area.	9/27/2022 8:24 PM

106	High property taxes, and city sales tax	9/26/2022 4:39 PM
107	Lack of employment opportunities.	9/26/2022 10:50 AM
108	I would also like to include "over all cost of living" as a concern. I see many needing to relocate to outlying areas due to affordability. However, my top concern is traffic issues. The congestion and lack of traffic control is a real issue. I live here full time and see the traffic fluctuations for each holiday and weekend. I would LOVE to see signs on Wh Mt Bl that say "slower traffic keep right" or "keep right except to pass" to me this is a large NEED in our community. Aggressive driving is a real thing, many who are just trying to work and run businesses don't have 30 minutes to drive through town. The speed limits are appropriate for adequate traffic flow. However when both lanes are blocked it really causes congestion and leads to aggressive driving which is obviously dangerous. My husband has gotten raced down and followed home by an aggressive driver who was in the wrong. I have almost gotten into many rear end accidents outside of red devil. Distracted/oblivious driving is a real concern to me.	9/25/2022 9:46 AM
109	Better wi-fi	9/24/2022 2:45 PM
110	260 is very dark at night. Suggest some decorative street lighting similar to Show Low (not what they have in Lakeside!). This would give a warmer, welcoming sense to the community and likely cut down on vagrancy, vandalism and crime. 	restaurants would be nice.	
120	Communication with city officials	9/16/2022 2:50 PM
121	Our community needs more grocery stores, Medical Hospitals, and gas supply to uphold the number of tourists that utilize our town. This community needs a Mayor who will not turn her head from the embezzlement of our town funds from public works, and Pinetop PD. The taxes we pay should not go into the pockets of anyone, Take care of the potholes and sink holes properly, focus on our infrastructure then maybe then the roads, restaurants, and other local department stores would hold up to our vast amount of tourist that are coming year-round now.	9/16/2022 2:15 PM
122	The town of lakeside need more things for the kids to participate in, for example a skate park would benefit the youth drastically. It would give kids a place to partake in exciting activities.	9/15/2022 8:28 PM
123	there is very little to do here and it seems the older generations don't like or want growth or change. There needs to be more to do especially for the younger people and better restaurants and shopping.	9/15/2022 6:34 PM
124	Repair highway 260. The road is terrible.	9/15/2022 6:31 PM
125	I live on the corner of Moonridge and White Mountain Blvd. In the past 4 years, I have witnessed at least 10 car accidents at this intersection. The combination of heavy traffic, high school drivers, and poor visibility has created a serious problem. I would suggest putting in a roundabout to slow visitors (who drive like they are in the city), and High School drivers.	9/15/2022 3:06 PM
126	Can not drive anywhere or even get lunch during lunch hour from April to September because of double in population! Can not go to a Restaurant, go get groceries, etc due to all the people This town caters to all the out of towners and Summer people Local Full-time people mean nothing here	9/15/2022 9:51 AM
127	1. Healthcare: the availability of pediatricians and mental health providers for children is very low. I really don't like the way Summit runs things, but they're really the only option. 2. I would like to see track and other sport options year-round for kids who don't go to public school. I have two children that attend Lexington. It is best suited for their needs, as they are both on the Autism Spectrum. The small class size and the training the teachers have in Autism had been crucial for their learning. However, my teenage son is considering switching to Blueridge in 10th grade, so he can continue playing baseball and join the track team. He's very talented in these areas, but I fear his education will suffer, as he doesn't do well in crowds and with non-flexible environments (as public school has to be to keep order.) If he had options in the community for sports (he plays little league baseball right now but will be too old when he reaches 10th grade). He wouldn't need to sacrifice his education.	9/15/2022 9:48 AM

138	There are a lot of vacant commercial buildings on main street causing them to be run down and makes the town look bad. This is a result of the town not encouraging businesses. Several businesses have voiced they would rather do business in Show Low rather than Pinetop. All the large corporations are in Show Low as Show Low is a better place for business.	9/14/2022 4:54 PM

142	While I have never lived here full-time, I have spent a lot of summers, falls and winter vacations here since the early 1970s. It is very disappointing to see the state of main-street today, with more dilapidated unoccupied commercial properties than well-kept thriving ones. Creating a viable, walkable "downtown" area with shopping, dining, and entertainment is probably too difficult given the geographical constraints of the town. So, perhaps it would be better to focus on eliminating the unoccupied, poorly maintained storefronts. I realize this is an exceedingly difficult problem to solve as well. We would very much love to see improved or additional grocery stores and more restaurants. If we ignore the short run of Salt, it has been decades since this area has seen anything approximating a fine-dining restaurant. Dating myself, but I have fond memories of Crozier's, The Roundhouse, The Christmas Tree, and The Icarus. It's not entirely clear to me that the town government should attempt to solve any of these problems. This may just be the nature of our very transient, seasonal population.	9/11/2022 4:07 PM

146	Crime and safety concern is related to dogs off leash and others with dogs not respecting those of us with dogs that do leash. Have been actually attacked 4 times- once ending with me with 2 large dogs fighting on top of me, once with my dog bitten requiring an expensive vet visit- and have been rushed an additional 3 times by dogs off leash due to entitled owners not following the rules. There are leash laws for PTLs and Navajo county as well as Woodland park. Please enforce them. Tired of the ATVs and golf carts speeding down residential roads! Please do not come to nature to make noise and waste fossil fuels. I live here and I'm pretty sure you wouldn't enjoy me racing up and down by your house with a loud Harley motorcycle or something similar. Also worried about anyone wanting to express individuality. Religious sectors and right wing seem to run this town. Frankly, scared I will be shot if I express my beliefs around here.	9/11/2022 12:47 PM

150	Need for recycling instead of just throwing everything into the trash each week. Also feel ONE trash pickup company would be better than 4 or 5 tearing up our streets. 184	We back Rim road right off Woodland Lane, the traffic is ridiculous, we have no pavement to our driveway, we are the only people in our subdivision that has gravel in front of our driveway. The speeding up and down rim road makes it where we can't even BBQ outside because of all the dust. My neighbor has been taking video's. The natives stopping as they turn on to rim and throwing bottles out of the vehicles and opening the doors and urinating.	9/4/2022 12:06 PM
185	Hwy 260 needs repair badly. It's a rough ride in almost all places. The blacktop is braking up and potholes are appearing. Also the visual lines need to be painted to be seen better.	9/4/2022 11:04 AM

I would like to see white mountain Blvd prettier. limit the types of businesses littering what could be a beautiful town drive. Spruce it up. 259	I understand that VRBO's are the current "thing", and that Pinetop is a resort community, however, what once were family neighborhoods are now being turned into short-term rental neighborhoods. There really can be too much of a good thing. Neighborhoods are losing their sense of community; families may be struggling to find a family-oriented neighborhood, without having to worry about safety and who may be renting the house next door or having neighbor kids to play with; those working in our community may have a hard time finding housing, because it is taken up by short-term rentals. Can Pinetop find a balance? Maybe stricter rules on VRBO's? I know the town has to adhere to the State of Arizona rulings on VRBO's, but it would be sad to see our beautiful community lose its population of full-time residents/families, to accommodate the VRBO/AirBnB communities. Also, it would be nice to see the Safeway shopping mall, and all other empty commercial buildings, full. After watching the candidate forum, I heard that some candidates do not want big box stores, or restaurants in Pinetop, for fear of changing the feel of the town. One of the candidates suggested Mom and Pop stores, but would those generate enough interest, or enough tax revenue for the town? The Lakeside area on Hwy 260 definitely needs a facelift, so bringing businesses in that could provide the necessary funds for improvement may pay off in the long run. Maybe take a survey of possible businesses residents would like to see come into our community. Something that maybe Show Low doesn't offer, that would bring people up to Pinetop. We have our unique stores, like the Burly Bear, Gingerbread Cottage, etc. that are an asset and draw people up, but maybe a Michael's Craft Store, a clothing store, etc.; something that Show Low doesn't offer, but would draw a crowd even from other surrounding towns. And. lastly, I see handmade "don't speed" signs on Buck Springs Road and Branding Iron Loop. I know that Osprey Lane has a big problem with speeders, both in the Woodland Hills neighborhood and on to Penrod. Would the town consider either patrolling these problem areas, using a camera equipped radar van, or putting up some digital speeding signs in these areas to remind people to watch their speed? 122	Need bike lanes on major public roads!! Also, I moved to PTLs for the small town and outdoor relaxed mountain environment. PLEASE DO NOT turn this place into a smaller version of Phoenix or Tucson. If you would like to build a facility to keep the people who are making noise, pollution and trouble off of the street, by all means do. You could also have a small, localized vacationer shopping strip to keep the visitors in one central location. PLEASE DO NOT bring in any more big box stores or develop this area any more than it already is. What contributes to poor quality of life around here anymore is TOO MANY PEOPLE!!! AND too many people who do not respect quiet mountain living. If you want all of these resources, then go back to PHX or Tucson or go live in Flagstaff.	9/11/2022 12:47 PM

176	indoor volleyball court	9/1/2022 3:24 PM
177	30 years ago the Town did a multi-year 2020 master planning process that included a series of town hall meetings over a couple of years. Some of those goals have been attained and some have not. The Town has done a fantastic job of acquiring and developing Woodland Lake Park as envisioned in the 2020 planning. However, the whole parcel including Walnut Creek was part of that vision. Also, somehow the ball was dropped in regards to the Rim trail, which was USFS property that everyone enjoyed. It may be too late to recover the entire 1 mile interpretive trail, but something needs to be done because it's very popular with both residents and visitors. The 2020 visioning process revealed the residents want an urban trail system with pedestrian routes across the highway. There were also ideas for the re-development of old downtown as a walkable town square. Nothing has come of those ideas and it may not be feasible.	9/1/2022 3:09 PM

205	It's ok like it is. If they want all of that they should stay in phoenix. This is county. Thats why they come here.	8/31/2022 2:45 PM
206	A temporary sign/banner ordinance. Currently the plethora of torn, faded, sagging, outdated and ugly banners makes our community look third world. When a business puts a sign/banner up and leaves it up even when it turns ugly makes me NOT want to patronize them. And the political signs are even worse. We are looking very trashy as one drives down Hwy 260.	8/31/2022 2:45 PM

12	No more Halloween hype. That is everywhere these days. Not necessarily from the town, but since you're asking I am specifying. No more haunted, gore, blah please. Something centered on giving thanks. A harvest festival. This would be awesome with a community garden. Or inviting people to sell canned foods. Not a craft fair, but a focus on gratitude for harvest and food preservation. A fun competition would be wood splitting contest. People sign up to compete and have 10-15 min to split wood. Winner takes all split wood from the competition. Invite wood vendors to be there. October is such a lovely time of year. Something that celebrates and brings people together for it would be lovely. Hayrides. Apple cider. Line up with a hometown feel. Performances on the stage across from the library. The library had a magician and it is used for tree lighting, but so much more could happen there. Summer concert series, barbershop, WMSO, HS plays, Silver Creek Theater.	11/13/2022 11:22 AM

I would like the community to talk more about this topic, which is very important, please, my son. suffer from bullying	10/15/2022 11:29 AM
121	There is great value on most of the events and activities listed. I would have listed most of them as very valuable with the exception that they are not being held in suitable centralized convenient locations. In the past 11 years, I have not attended a single event, mostly because they feel a bit contrived and forced into event locations that do not actually feel like a community venue. The problem is that without a central event/activity area/park within the town proper. All of these events are forced to find a starting/event location which is constantly changing or bairly meets their needs. community members must search to find event locations which are often spread throughout town or in inconvieniant locations. Mountian meadows can only meet a few of our needs and forces all traffic, driving, walking and Biking outside of the town proper further away from our residential neighborhoods and already struggling	10/15/2022 11:07 AM

businesses. It is inconvenient for many of the activities and residents. It is a sports complex, not a community meeting and gathering area. We need something more within walking distance of the highway and local businesses. Our community lacks a convenient centralized multi purpose outdoor park/meeting area to host community events, art fairs, movies, music, cookoffs etc.

122	Real farmers markets	10/15/2022 10:57 AM
123	Not that I can think of at the moment but, in sure there are some.	10/15/2022 10:43 AM
124	Any ideas for making our town like a Hallmark movie! We need to be a cool, fun, attractive, hip town to keep generations here and recruit new community members. What does Flagstaff do? Jerome & Sedona? What do cool towns in Colorado do (Vale, Aspen, Breckinridge, Durango...)? Bigger street fairs like 4th Ave in Tempe with food, local businesses, family friendly, entertainment/music. Do something with the wasted space all over downtown Lakeside and the police station area. No alcohol. Junk In The Trunk fairs. Events need to be affordable. However, traffic will be a big issue. Unfortunately we only have 260 hwy which is a big barrier.	10/15/2022 9:39 AM

251	We should have a major economic stimulating and social event at least quarterly. I've taken kids to the Easter and Halloween events, and it's just giving them stuff. Give them games, involvement, and activity, not candy and other waste. The Fall Festival is great! The balloon festival is developing nicely.	9/2/2022 7:24 AM
252	These activities are good if you have younger kids and I attended them when I had my kids at home, but now they are grown. I was a single mom, I'm 44 and there is literally nothing for me to do, no groups to join cause the only community groups are retired people and meet at 8 during the week, no affordable classes at a community center in the evenings. Your only option is the bar. That's horrible there should be more for all age levels not just if your retired or have young children.	9/2/2022 4:05 AM

34	We don't need more more more. Let's enhance what we already have and make Pinetop beautiful and keep it small. Let's utilize the vacant buildings instead of tearing out beautiful forests to build more.	11/13/2022 9:11 AM
35	NO more big box stores. Love the small, hometown, mom and pop shops/eateries.	11/13/2022 9:02 AM

38	We need more some thing	11/13/2022 8:51 AM
39	We don't need more, we need to maintain the existing small, rural quality of our area. Don't try to bring in "more" as that will only cause problems and do damage to our natural environment which is our best attribute.	11/13/2022 8:47 AM
40	Would love to see a Sprouts or Trader Joe's store. Or Whole Foods.	11/13/2022 8:42 AM
41	we need more activities for youth. We need a community center/aquatic center/splash pad. We need more options for schools, smaller and safer.	11/13/2022 8:39 AM
42	I skipped ahead to the next question. It's not fair to make full time residents choose between economy and tourism. We clearly need both. It's just enforcing traffic laws, noise levels in neighborhoods so that full time residents don't have to deal parties etc.	11/13/2022 8:35 AM
43	I actually love the small town, mom and pop shops in town.	11/13/2022 8:33 AM

70	We have a bedroom community. We work and play elsewhere. Bike paths around the perimeter of Woodland Park. Downtown square.....Do something with Lakeside!! The old school area! Condense the congestion into parking and walkable shopping. We need bowling, roller rink...or something. High school kids drive to Show Low for Sonic and shopping (Good Will, Walmart...) and Show Low Lake. They drive to Porter Mountain to hang out. 	down town. Better retail stores.	
99	More things for kids to do.....	10/4/2022 3:57 PM
100	We need quality businesses that plan to stay long term; i.e. Trader Joe's, Sprouts, Wild Oats. It would be nice to see a larger retailer like Target (or something of the like) come and stay as well. This will help bring revenue and tax money for our local schools that desperately need help.	10/4/2022 8:02 AM
101	we need another grocery store. Safeway is a joke!!!	10/3/2022 12:05 PM
102	Quit building and use the vacant buildings. More childcare facilities. Street lights, it's too dark at night for the larger aging population.	9/28/2022 1:52 PM
103	Show Low is the employment center of the region. Pinetop should focus on basic services and support any and all small businesses. We don't need more hotels or big box stores. Keep the neighbors safe and clean.	9/27/2022 8:24 PM
104	Affordable rental housing for staff to work the restaurants so they are able to be open	9/27/2022 11:35 AM
105	Drugstore Mid priced restaurants. Better food quality Craft store Department store. I e target or similar Destination shopping in more central location easing the challenges of getting in and out of traffic for a single boutique etc	9/26/2022 6:31 PM
106	We need more Full Time/Year Round Employment Opportunities. Almost everything is unaffordable now. Almost impossible to both live here & be employed here. Wages do Not match the cost of living. Very few & poor selection with very long waiting lists & unreasonable requirements for affordable housing.	9/26/2022 5:48 PM
107	As a local, I never go to Darbies in the summer. I usually have to wait an 45-hour to eat out. Frustrating to a local who can not even use the perks of living in P/L.	9/25/2022 9:46 AM
108	Clothing, shoes, office supplies	9/24/2022 11:55 AM

114	Need alternatives to Safeway. Bring Fry's to the White Mountains.	9/18/2022 1:35 PM
115	Sprouts, Trader Joes, organic type shopping. Pinetop-Lakeside is a sleepy little town. Beautiful, but FT residents need better choices with healthy food shopping.	9/18/2022 8:13 AM
116	Good zoning to make sure we the people have input	9/16/2022 2:50 PM
117	animal Control and Humane Society Facilities and supplies for them, trash and recycling services	9/16/2022 2:15 PM
118	Youth center	9/15/2022 9:25 PM
119	One craft, sewing etc. Store would be nice.	9/15/2022 3:55 PM
120	It would be great to develop a walkable down town. I know our businesses are spread out, but if we had bike lanes or walking trails it would help visitors stroll between businesses. It would add charm to our mountain community.	9/15/2022 3:06 PM
121	We need some chain type of business in addition to the mom/pop kind. We need places to be open and able to seat people	9/15/2022 11:52 AM
122	We need to be more business friendly in general... less dollar store types and actively pursuing restaurants like Chick-fila, Baskin Robbins, Dunkin Donuts, 5 Guys, etc. Payson has these, we should also. Also, we need to promote a "main street" or at least clean up our historical buildings. We need one place for Farmer's Markets. We need to bring back the Fall Festival	9/15/2022 10:29 AM

arts and crafts to a nicer location (Blue Ridge parking lot and treed areas along the highway would be great visibility and parking.

123	I'd like to see the nature center expanded	9/15/2022 9:48 AM
124	It would be nice to have a Target instead Walmart being our only department/grocery store option.	9/15/2022 9:48 AM
125	Youth focused rec center, and more areas to shop so places like Safeway and Walmart aren't so congested.	9/15/2022 9:10 AM
126	Traffic on the road is becoming a problem. Left lane exits at busy streets would be helpful.	9/15/2022 7:07 AM
127	Target and costco probably won't come here but something like that, that is sustainable.	9/15/2022 6:58 AM
128	We need more small businesses to survive. Pinetop is too expensive	9/14/2022 9:59 PM
129	Anything that generates tax revenue for the town. We need to be more business friendly.	9/14/2022 9:21 PM
130	Skate Park	9/14/2022 8:39 PM
131	I am very disappointed to the opposition to the development of an RV park. Our town does not offer camping facilities to visitors.	9/14/2022 8:14 PM
132	With all of this—more VARIETY! Not another antique store or repeat flavors of food	9/14/2022 7:37 PM
133	More Apartments.	9/14/2022 6:33 PM
134	More regular housing options ( but not cookie cutter track homes with tiny yards and apartments) It took us 3 yrs to find a regular rental home here.	9/14/2022 5:36 PM
135	We need to create businesses that can provide sustainable employment opportunities for the people who live here year round. It is very difficult for people to maintain their lifestyle working part time and seasonally in the tourism/hospitality industry. Call centers, customer service organizations, phone and online order processing could provide stable, year round employment opportunities.	9/14/2022 5:05 PM
136	Any business to fill in the vacant buildings would be appreciated and benefit our town.	9/14/2022 4:54 PM
137	More things to keep the children busy and out of trouble.	9/14/2022 4:45 PM
138	Youth organizations such as a Boys and Girls club would be a fantastic opportunity year round for youth activities and is affordable	9/14/2022 4:41 PM
139	Retail for middle income, we either have Dollar Stores or high end merchandise.	9/14/2022 4:16 PM
140	More Pickleball courts	9/14/2022 12:15 PM
141	If we have more rv parks please locate them away from the central corridor. Work at home jobs will need better internet service and should be the target of new business opportunities, There are offices in the valley that provide rentable office space with internet connections.	9/13/2022 7:19 PM
142	Gym (EOS)	9/12/2022 4:22 PM
143	What can be done to move businesses/restaurants off the main highway? There are several large sections that could make and extremely fun WALKABLE entertainment district in a "downtown" setting where shops/food can be located. Pinetop needs to get an area off of the main highway.	9/12/2022 8:05 AM
144	I know we need more businesses to support our tax base, but also businesses are struggling to hire employees. So until we get more affordable housing up here, I think it's going to be hard to recruit new businesses.	9/11/2022 2:19 PM
145	We don't need MORE, we need different	9/11/2022 12:47 PM

## Pinetop-Lakeside Community Survey 2022

150	Keep Pinetop Lakeside small and rural, and keep nature intact	9/8/2022 7:02 AM
151	Since the town operates from sales tax revenue the focus should be on giving visitors more options to spend their money. Consider focus on biz retention and development.	9/7/2022 1:15 PM
152	Well kept RV camping that is available during summer	9/7/2022 11:03 AM
153	We need less vacancy in existing buildings and standards for the exterior of properties - landscaping and basic maintenance. Business will flow to better looking towns.	9/7/2022 9:06 AM
154	Reestablish the PL Chamber of Commerce to promote businesses and get the Town out of the promotion of private business	9/6/2022 10:42 PM
155	I'd like to see the current businesses succeed, stop the revolving door of who's in this space this year.	9/6/2022 5:01 PM
156	We need to have business access connected (were possible) between parking lots. Better for businesses, help with traffic.	9/6/2022 1:52 PM
157	Business owners that live in town area but not city limits should be able to vote in city elections	9/6/2022 12:34 PM
158	We need LESS of these developments. I do not want to see our town grow and grow and grow. We certainly do not need anymore developments, because all of that will be to address seasonal visitors. I think there are adequate facilities here for our year round residents. Let's not cater to the summer people.	9/6/2022 12:24 PM
159	Challenge courses, zip lines, archery that you can pay to do, climbing gym.	9/6/2022 12:03 PM
160	Pickleball courts	9/6/2022 11:48 AM
161	I am not well versed in what might be necessary or useful and would have a chance at survival	9/6/2022 11:48 AM
162	For all intensive purposes we have one grocery store and it is overrun by visitors and tribal members who deplete the supplies for the locals. Locals have had to resort to shopping out of town due to the influx of Maricopa County and Californians	9/6/2022 10:24 AM
163	Stop getting rid of the trees on the road side, being in the forest is why people come. All they need to do is put a sign on the road and you pull into the drive and parking for the business. I have been to beautiful towns where they do this and they have not destroyed the feel of their town. What you let the Hallmark do is awful my friends and I will still not shop there. You should also have better guidelines on signs and color, I owned many companies in Tucson and Durango and they would never have let us have some of the tacky signs up here.	9/5/2022 2:47 PM
164	There are plenty of discount stores and dollar stores. Grocery stores are ALWAYS ridiculously packed. Restaurants seem to have difficulty keeping good employees and have limited their days of service. We don't even try to patronize restaurants on weekends and never on holiday weekends.	9/5/2022 2:02 PM
165	I see buy local signs, but I can't when the stores don't have what I want. Stores here need a broader inventory. What does "local" mean? Does it include Walmart? We don't need a big box store in Pinetop-Lakeside.	9/5/2022 10:53 AM
166	More restaurants from the valley to come up to our area!	9/4/2022 3:01 PM
167	Costco, please!!!!	9/3/2022 9:31 PM
168	Better grocery choices.	9/3/2022 7:39 PM
169	Allow development but maintain the forest	9/3/2022 6:54 PM
170	Community swimming pool	9/3/2022 1:49 PM
171	We need to attract long term development of businesses, and better service businesses.	9/3/2022 12:30 PM
172	We need a downtown area that is walking friendly and encourages business development and visitor spending. Pinetop has no obvious business/entertainment core and it's killing the town's economy.	9/3/2022 11:13 AM
173	We have plenty of all of the above	9/3/2022 9:47 AM

## Pinetop-Lakeside Community Survey 2022

174	We need an office supply store/outlet	9/3/2022 8:59 AM
175	Utilize existing empty buildings and storefronts, they make the area look trashy. Especially the burned buildings next to Safeway, and several empty buildings in Lakeside.	9/3/2022 6:46 AM
176	We need to STOP with the cookie cutter Dollar Stores and fill pre-existing empty stores with a bookstore and stores that carry unique items. We also need more ethnic food diversity (Indian, Hmong, Vietnamese, etc)	9/2/2022 9:04 PM
177	electronic, appliance equipment repair.	9/2/2022 4:12 PM
178	We need more businesses that will actually sustain year round in a visitor based town. No sooner do they open, they close. Rent is too high, etc.	9/2/2022 2:42 PM
179	Decent American Dining (that doesnt mean more asian resturants... please)	9/2/2022 1:34 PM
180	?	9/2/2022 8:35 AM
181	Organic grocery	9/2/2022 8:33 AM
182	Capitalism works! But our services are insufficient for the area. The "visitors" and "part-timers" take more than they contribute, and we can't get what we need full-time because of it. They buy, but don't work. They buy sometimes, but not reliably enough to keep that much stocked at all times. Between the traffic and grocery shopping, I don't want to stay.	9/2/2022 7:24 AM
183	We need more entertainment options, a community center with groups or classes to take. Being single in this town with no kids is horrible the only thing to do is the bar!! We should be offering more than alcoholism.	9/2/2022 4:05 AM
184	More safe cycling paths for commuting	9/1/2022 11:34 PM
185	Target, Costco, indoor trampoline park.	9/1/2022 10:01 PM
186	It would be wonderful to have a craft store (like hobby lobby or Michael's) with a broader selection of crafting supplies at an affordable price.	9/1/2022 9:20 PM
187	I am really sorry that the kayak store across from Burly Bear is no longer there. It had an array of supplies for fishing as well. It was a one of a kind store in a convenient location.	9/1/2022 9:20 PM
188	Affordable housing	9/1/2022 9:15 PM
189	We need less airbnbs. Less construction and more areas for horseback riding. We need to get back to our roots.	9/1/2022 8:08 PM
190	All of the above.	9/1/2022 7:47 PM
191	We need a more functional lake with marina, kayaks, paddleboats. We need bike lanes and bike paths separate from walking paths.	9/1/2022 6:16 PM
192	The town needs to penalize owners of empty retail and business spaces so that they are filled. Do NOT use tax money to incentivize businesses to fill these facilities. Don't allow further building until empty spaces are filled.	9/1/2022 4:31 PM
193	Thirty and forty years ago I bought clothing, shoes, office supplies, building construction materials, craft supplies, horse equipment and a horse trailer at locally owned businesses within the area that is now Pinetop-Lakeside. Today all of the businesses I patronized then have gone out of business. Most have been replaced by big box stores in Show Low that only sometimes have what I need. I have no space or use for knickknacks, candles, antiques, infusions, bear carvings, etc. "Buy Local" is a meaningless slogan when the businesses in town are so focused on the tourists they do not provide the basic goods and services that permanent residents regularly need. Our economy is very dependent on tourism, but tourism alone cannot support all of the services needed to feed it. The 2020 vision plan included seeking clean, light industry that was not tourism-dependent, which has not happened.	9/1/2022 3:09 PM
194	Other grocery store FRY's Better retail options COSTCO	9/1/2022 2:37 PM
195	need another very large grocery store - maybe 2 more	9/1/2022 2:04 PM
196	The rec businesses that are owned by locals and enough. No more hotels. Keep it quaint.	9/1/2022 12:25 PM
197	We need new businesses to occupy existing buildings, rather than cutting down yet more trees before (in too many cases) abandoning the newly constructed building.	9/1/2022 12:07 PM

## Pinetop-Lakeside Community Survey 2022

198	We need to support the current local business. Not just the big name ones.	9/1/2022 11:15 AM
199	We should capitalize on the natural atmosphere and beauty by focusing on a downtown district with shops and restaurants. Create opportunities foot travel through town	9/1/2022 10:51 AM
200	I'd also like to see museums/galleries. More educational options.	9/1/2022 8:54 AM

384	We need more opportunities for the youth in the community to have a fun and safe place to be. Something like a rec center, with a stage for dances, theater, parties, etc. for them to use. Also, a Costco would be amazing! As far as question 31, both are true. We do have a huge tourism industry, mainly in the summer, and we need to encourage that, but we need to build the infrastructure to support it. Our little town can't support the numbers anymore. With that said, our focus should be on the year-round residents and developing a town where people want to stay to raise their families.	9/15/2022 9:10 AM

10	We really need to address the traffic concerns. I don't know what the answer is but the 260 white mountain Blvd is just terrible during the summer. More bike/walking paths to access town would be nice	11/13/2022 11:22 AM
11	The Christmas lights display is fun and beautiful! Well done. Flowers in the flower beds at Jack Barker would add to the atmosphere in other times of the year. Looks aren't everything, but Seasonal flags/lights/wreaths down white mountain. Focus on patriotic and Christmas. And you have the most emotive vibes. We have some but I don't think there is anything that consistently runs the length of town. Snowflake does flower baskets and wreaths. Show Low does seasonal flags and lights. It is a nice touch.	11/13/2022 11:22 AM
12	Although I do not want to see taxes raised to support more social programs, community organizations like the RE:center need funding to help our community members in poverty. The town needs to support and promote this organization more. It is a hub to help each other and serve.	11/13/2022 11:21 AM

14	There are a ton of empty business buildings that are empty. I feel like the town doesn't support local businesses as they should. The Town of Pinetop could help get the word out when they know they approved a business license in the town by helping spread the word. I had two businesses, one in Pinetop and one in Show Low. I closed the Pinetop shop after many years of being in business because of the hassle from the water department and the allowance of utilities being given a higher rate due to it being a business. If the town could stop such things from happening (like Show Low steps in and does) then businesses would be more abundant. Just my opinion on what I see since I had businesses in two different locations. Empty buildings make the town look poor. It also effects the local economy.	11/13/2022 11:13 AM
15	Snowplow need to be careful when plowing streets and take care not to takeout mailboxes other wise they do a good job! I also belive the town can support another grocery store other then Safeways. Thank you	11/13/2022 11:07 AM
16	Pinetop lakeside is a very desirable place to live, the residents that live here full time should have certain benefits to being full time residents. More activities not just during tourist seasons. Discounts with local IDs? It's too expensive to live here	11/13/2022 11:04 AM

19	I believe that due to the growth of the town the crime rates have also escalated. While I attended Blue Ridge from 02-06, drugs were a large issue, and I believe the issues had only become more prevalent and needs to be addressed.	11/13/2022 10:53 AM
20	We love our time in Pinetop, 6 summer months. It's nice that people here are friendly, courteous, look at you and say hello. We need to keep that hometown feeling	11/13/2022 10:51 AM
21	I would love to see a bike trail system that takes you from lake to lake and has access to the downtown area. Maybe even goes into Show low giving access to the main roads but nut running alongside them for safety. Boulder CO and Flagstaff both have great trail systems I think that could work here. It would help cut down on traffic congestion.	11/13/2022 10:49 AM
22	I wish something could be done about all the vacant and run-down buildings/businesses along 260. The town has lots going for it and potential but those things really make our town look struggling and dumpy. Also, clean, nice, affordable housing options are very limited at best, and cost of living is way too high for income levels for locals.	11/13/2022 10:47 AM
23	Every other truck/car in our city is vomiting black smoke from it's exhaust. We need stricter emissions and access to environmental awareness for the community. Sidewalks and bike paths are in need of attention. Especially those near schools. Children need a safe place to walk home. Especially on Porter Mountain Rd.	11/13/2022 10:46 AM
24	Would like to know more about Pinetop history. My winter home Mesa does a historical house walk and a cemetery tour of the more famous people buried in the Mesa cemetery. 46	Our parks need more kid oriented structures. All the parks that have anything are usually packed. We need more grocery options. We should try and encouraging businesses to use current vacant buildings and structures. There are so many empty buildings but new businesses keep just buying land and building new ones while the old ones become run down and become an eye sore. Instead of spending infrastructure money on repaving roads that were fine in the first place we should work on sidewalks or other things that add usability. This is more at state level but our public schools are struggling from continued funding cuts. Teachers have to buy all of their own paper even. There is little community engagement in the schools at least at elementary level.	11/13/2022 10:04 AM

61	We as a resort community, need to recognize the #1 leading sport in America - pickle ball. Because of the unique climate of Lakeside-Pinetop, we need to recognize that outdoor courts are not optimum ie: rain in the summer, snow in the winter and cold temperatures. Outdoor sports such as golf and baseball are exceptions as is disk golf. Pickle ball draws literally thousands of tourists and revenue and Lakeside Pinetop triples in size in the summer with mostly seniors and retirees who play golf or pickle ball or both. The community needs to capitalize on that fact and get on board with facilities for both summer and winter. The country clubs in the area offer outdoor pickle ball but one has to be a member. Again, play is limited because of the seasonal rain and cold temps in the winter. To summarize, the Town needs to offer an affordable indoor facility for summer and year round residents period! I want to emphasize INDOOR FACILITY - YEAR ROUND. Thank you for this opportunity to express my opinion.	11/13/2022 9:17 AM
62	Please allow someone to build more rv parks. I am sure they would fill up immediately, bringing more summer visitors to the area. And some would stay year round. Some can only afford rvs	11/13/2022 9:15 AM

63	Because of the weather, Pickleball courts would best be used in an indoor multipurpose building.	11/13/2022 9:12 AM
64	I would like road repairs made to 260 within Pinetop city limits and to see eyesores such as "The Truck Stop" (5549 AZ-260) which is now permanently closed and those burnt out buildings next to Safeway removed. They make the town look cheap and junky.	11/13/2022 9:11 AM
65	We need a R turning lane on to Porter Mnt Rd and a green arrow	11/13/2022 9:09 AM
66	I would live our community to be more bike friendly. Especially in Pinetop where some of the sidewalks done even have a decent/ascent between roads just the curb. With the traffic we have biking on the road is too dangerous.	11/13/2022 9:09 AM
67	Set appropriate restrictions for short term rentals. The people do not seem to care about noise levels, trespassing, and fire restrictions. They have no respect for resident's that live next to the property they are renting. I have been told they paid enough to be able to do whatever they want. The law enforcement authorities ignore the full time resident's unless provided visual documentation.	11/13/2022 9:06 AM

69	Yes, the speeding here is out of control! I feel like I have to speed or fight I've been attacked twice at a stop light because the person behind me didn't like the fact I was going 5 above the speed limit if you are not doing 60 in a 35 or 70 in the 45 mph zones then according to the other drivers you are an issue on the road. There's not enough enforcement on speeding in this town and it's very dangerous I've seen more and more accidents this year then last year.	11/13/2022 9:00 AM

When boating is possible the lake is enjoyed by many townspeople, not just those living near the lake. The Show Low Irrigation District has suffered losses the past year, but do not seem willing to work with the local coalition to save the lake. Our community has donated many thousands of dollars to rid the lake of weeds to enable everyone to fish and boat. We are in danger of losing all our grass eating carp if the district lets the lake go dry every summer, as they are threatening. We need the help of the town!	11/13/2022 8:17 AM

96	I worry about all the corridors if land for sale along White Mountain Blvd. We could end up like Payson, continuous stretch of fast food and retail if we do not protect some of the scenic beauty coming through town. The Mogollon Rim trail loop was a big loss as not much fun going out and back.	11/12/2022 11:03 PM
97	I think the town needs to fix infrastructure before growth. I don't want more people moving here but that seems to be inevitable. Cap or tax VRBO/Air BnB, they are ruining this town. Support the hotels and resorts and restrict short term rental. Please address current residents before looking to add more.	11/12/2022 11:01 PM
98	It would be good to do as much as possible to make Pinetop an attractive community. This includes maintaining and developing natural area.	11/12/2022 11:00 PM
99	This town is politically lopsided to the point that I as a politically left leaning career mom feel like I cannot be myself in public. As a town it would be INCREDIBLE to see the town promote political diversity/diversity in general. I literally was threatened with my life for voting for Biden in this town. I haven't stopped hiding my ideas and opinions since, it triggered a fight or flight response and it marks the start of me counting down the days until I can move away. It's not fair to see only Trump flags in parades. It's not fair to our LGBTQIA residents to not have pride events (and we wonder why our teenage suicide rate is so high??). It's not fair to our teenaged youth to live in a one sided town. For example, I'd love to be entered for the drawing but I do not feel safe putting my name to this survey. If the town took efforts to promote diversity, we as a town would flourish. Just as much as diversity builds our nation (we need conservatives and liberals to work together to develop the best ideas for our nation's future) it can make our town's humanity as beautiful as its nature. 164	The growth making some wealthy is changing this area into a Flagstaff. The beauty that once attracted people here is slowly being destroyed to cater to out of towners and Californian types. The peace, the quiet and the simplicity of this place is what made it a great place to live. They used to leave in the winter. Now it is traffic all year round. Resturaunts and businesses are too packed so we choose not to even visit them anymore. But if it is going to keep growing we need Jobs that pay enough for the locals to afford such outrageous rent.	10/13/2022 12:24 PM
165	No	10/6/2022 7:43 PM
166	We need to look into developing the town of Lakeside. So much potential. It is a sad looking city that is right before Pinetop. Lakeside should be just as important as Pinetop. 174	Traffic is getting to the point where I have to stay home weekends. We need more business to generate tax revenue. Walmart, Lowes, Home Depot would have helped immensely. Blue Ridge school district is not the quality education it once was.	9/26/2022 7:10 PM

176	We need more housing for residents and not VRBOs. They are raising the housing prices so families can no longer afford or find housing.	9/26/2022 1:34 PM
177	As a full time, contributing community member I feel neglected and not as important when everything appears to be geared to tourism. We do much to give back to locals and their kids and the school. I appreciate the improvements to Woodland park and would like to see it continue. I took my daughter to swing at the park after a rain and couldn't access the swings or equipment due to improper grading. Perhaps I could recommend French drains and rubberized flooring for my little one to walk on a level surface (hard for her age). Even some sun shades can be beneficial over the set near the ball parks. A splash pad would be AWESOME. The closest one is in Snowflake. Many local, young families would be thrilled with that improvement.	9/25/2022 9:46 AM

181	The highway need re-paving badly. Lakeside does not give a good impression when entering town. We need a stoplight at Woodland Lake Road and US 260.	9/23/2022 8:57 AM
182	Roads need repair. Road congestion is terrible and getting worse.	9/22/2022 9:20 AM
183	Perhaps the town can offer some sort of an incentive for building owners to rent and beautify spaces. There are many buildings along 260 that look unsightly and run down. It is hard to drive/walk past abandoned buildings that are falling apart and not feel like you are in the ghetto. Special attention should be paid to trailer parks as well, they are becoming ridden with trash, old cars, animals that are not being taken care of. A few years ago I was told by a town employee that they only address these issues if/when they receive a complaint, but I cannot imagine they don't see the issues as they drive around. The trailer park on Phipps is not only a major eye sore that needs to be fenced off, I cannot believe these living conditions are even up to code. In the summer months it turns into a tent city.	9/20/2022 6:37 AM

205	It would be nice to feel more comfortable walking on White Mountain Boulevard. Despite the speed limit, people still speed excessively. The sidewalk is too close to the road and doesn't feel safe with the speeds people are driving.	9/15/2022 9:48 AM

207	I feel like the town has created too much red tape which has discouraged businesses from building here. I know of several people who set up shop in Show Low because of how difficult it was to work with the town. We need to fix that work with our local people who want to help better the town and the people who live here.	9/15/2022 9:10 AM
208	The beautiful open areas of Pinetop Lakeside are being developed and the town is losing its mountain feel to RV parks and city type housing cutting down all tall trees and planting trees not native to the area.	9/15/2022 8:06 AM
209	Control number of airB&B , we need affordable housing for our working population . Service workers, laborers, Teachers.	9/15/2022 7:57 AM
210	Yes, first, a lot of answers were either good or bad. There needed to be a middle section. I ended up choosing either bad or good and this will skew your data as I would have picked mixed because there are good and bad about those options. Next, we need conscious development. The town layout needs to be developed better. We need something like a town square and we need better road development. We are bottlenecked and stuck in emergencies when the tourists/ second home owners are here. I suggest looking at the successes and challenges Flagstaff has endured in the last 30 years. I lived there through the years before, during the square being built and years later and now see the extreme traffic problems they deal with daily. They built up tourism and have NAU to help support the community year round. Sustainability is vital. Creating a better walking/ biking community would greatly improve our community. It would foster more community involvement and community relationships being built. This community can be very friendly if you're in the right religious and political group. We need to be more diverse and welcoming to diversity. I know several people who bought homes and left because they didn't fit into the majority here, being either Buddhist, LGBTQ, liberal, etc. They felt they were in danger of being physically harmed by the extreme right wing individuals.	9/15/2022 6:58 AM
211	Yes there are so many weekend visitors that the grocery stores are out of food.	9/15/2022 5:48 AM
212	Please make it more affordable for families to live within these town limits. Families move to surrounding communities because it's too expensive and our school district is suffering losing good families. The town is becoming too congested and locals are being pushed to the side.	9/14/2022 9:59 PM
213	Daily police patrols are missing since covid, personally requested of the Chief. RARELY see patrols in our neighborhood, but visible police presence is very much needed and wanted. Homeless and drug activity are very visible on Poplar, Phipps and Royene.	9/14/2022 8:14 PM
214	The roads are horrific. I'm scared that I will get a ticket for poor driving as I'm dodging pot holes. With as much traffic we have, the roads have to be redone. The roads can't support this as is.	9/14/2022 7:57 PM

215	Where are all of the property taxes going to? Not the school from what I hear. Kids are not a priority here.	9/14/2022 7:51 PM
216	Traffic safety...as we have grown, everyone is speeding, ...entering the roadway is no longer safe.	9/14/2022 7:38 PM
217	Although the town is making progress with road conditions, many still need repaving. Also, another stoplight or two might be good since turning left here is nearly impossible sometimes.	9/14/2022 7:18 PM
218	We need to support the development of a local economy such as manufacturing, call centers, business centers and not depend on tourism. In fact, we should reduce tourism in favor of having a town of year around people with mixed ages. With today's changing economic environment and being not too far from i40, we can trigger a change. We can attract engineering companies, R&D companies, manufacturing, call centers and so on.	9/14/2022 6:41 PM
219	This is our home and our schools need the support of the local community. Teachers are spending their own money on paper	9/14/2022 5:40 PM
220	I know that if we grow, then that triggers another set of issues. But it doesn't seem we have enough people to work what we have. So Maybe more family friendly home options. Because If we all become retired and tourists, there will be no one to work. We need families who come and want to stay. So some growth is needed in residential and in commercial and in some entertainment. We need to draw good families in and then be dynamic enough that those raised here will want to stay and build and work and grow within their community. With that being said, many businesses thrive during tourist season. There definitely needs To be a balance of both worlds.	9/14/2022 5:36 PM
221	The town should offer more inclusive play options and events for ALL residents. Show Low has made strides in this by providing ada paths, addressing sidewalk connectivity, and building an inclusive playground and splashpad. Pinetop-Lakeside's sidewalk on Woodland doesn't even get you to the park.	9/14/2022 5:12 PM
222	Sustainable employment and affordable housing are significant issues in the area.	9/14/2022 5:05 PM
223	I would like to town to take back the community where the houses and voters are so we all have a say instead of just the business owners and few people because most of the homes in the voting range are secondary homes.	9/14/2022 4:45 PM
224	Facelift needed to old downtown Lakeside buildings along the main roads	9/14/2022 4:41 PM
225	We need a cap on short term rentals such as VRBO. They should be licensed and limited. Workers are being forced out and it's tough for business to retain help. Workers are commuting, which adds to traffic, pollution and wear on the roads. In addition, some short term guests are very disrespectful of the neighbors and environment. Local noise and nuisance regulations can handle this issue.	9/14/2022 4:27 PM

Pinetop-Lakeside Community Survey 2022

236	This town is landlocked between reservation and FS, there is no place left to grow. To continue growing this town will turn into a big, ugly, highly disorganized mess with horrible traffic because you only have one road with few alternatives. This town is very nice the way it is with its current size. Making this town larger and more commercialized will destroy it. This town is severely limited in growth opportunities. To continue growing will destroy this community, please don't destroy this area.	9/12/2022 3:51 PM
237	1. Woodland lake is such a gem for the community, can we please see that the lake is full/near full? 2. Please consider a walkable downtown/entertainment district to avoid constant stop and go congestion on the main road 3. A paved bike path that stretches something like 20+ miles will be a huge attraction! Pinetop could be a mecca for athletes and recreational people! (also a community center with a lap pool/fun swimming pool) 4. I Love this town and I can see that growth in a few areas can really boost the tourism and make it more of a destination.	9/12/2022 8:05 AM
238	Pickleball courts are needed at woodland park. Daily I go to play and very rarely is anyone playing tennis. Always Pickleball. The current system of yellow sheets hooked yo the gate is silly and doesn't work.	9/11/2022 6:39 PM
239	I'm not entirely happy with the growth rate. It seems to be very densely filling with retirees who have a few houses when my childhood friends can't afford rent anymore. I'd love to see the city focus on less luxury housing and more support for the people who are here all year	9/11/2022 6:28 PM
240	Tourism vs. resident population is an odd way to phrase this question. Do you consider the part-time residents tourists or residents? We live here mid-May to mid-October. We pay Navajo county taxes but do not vote in the county. As for growth, I do not want more growth for its own sake, but neither am I against growth on principle. I would much prefer to see the existing run-down buildings refurbished occupied before additional land is zoned for commercial use.	9/11/2022 4:07 PM
241	No	9/11/2022 3:53 PM
242	Question #31 shouldn't be an either or. We need this town to sustain without tourism, but most businesses are kept alive because of our summer residents and visitors. Big question is how to develop services for full time residents, that can also be enjoyed by our visitors.	9/11/2022 2:19 PM
243	Survey choices were limiting. For most of the good/poor choices, I would have picked something in between good and poor, ie "mediocre". On question #15 medical services- its not that there is not access, just that I don't necessarily trust Summit as a hospital. I am in healthcare and have worked at both Summit and Whiteriver. Whiteriver provides better and more dependable care. In Whiteriver, the general feeling is that if you are not Native and need health care, just keep driving to PHX. On question #26- I used to go to the park all the time to walk my dogs, but don't go anymore due to people having their dogs off leash. My leisure activities that I used to enjoy so much, ie walking with my dogs, biking, are being curtailed by entitled folks running their dogs off leash, racing up and down Rim Road and residential roads with their ATVs and golf carts, and no bike lanes on increasingly busy major public roads. TOO MANY PEOPLE!	9/11/2022 12:47 PM

245	1. lack of support from council of police dept; more police officers, better equipment, better workplace, better moral. 2. Vacation rentals - more effort to collect that sales tax. not collecting impacts local jobs and established hotels/resorts. being allowed to exist does not create more revenue to support our police and roads. Property owners are often not area residents so money generated does not stay in the community.	9/11/2022 7:57 AM

252	We cater to much to the older generation and snowbirds. Our schools are suffering and numbers are dropping because people with kids school age cant afford to move her. 256	I support growth, but only if it's done in a sustainable way. Can't invite the development of a 200+ RV resort (and other entities) before we have the infrastructure to support it, like internet, grocery stores, roadways that can handle the extra traffic, etc. We need a larger police force so they are more than just a reactionary presence, but can also spend more time on prevention of crime, drug use, etc. We need to increase a true sense of community in town,, ie neighborhood watch parties. We need better communication and transparency from our elected officials on the plan for the town, that codes are being universally enforced and followed. Communication about what is being accomplished, progress. In regards to question 31, we need a better balance between catering to the retiree population, the families with youth that live here, and out of town visitors. If any of the things I've mentioned are already happening then the advertisement is not very good.	9/8/2022 9:34 AM

262	The police force needs better attention. More officers visible in the community, More funding and better workplace. With that we might have great moral and a safer community. 266	I miss having a town center. Pinetop Lakeside has the feeling of just one long street with no heart.	9/7/2022 9:06 AM
267	Giving me ever-increasing popularity of pickleball I think it's important to provide dedicated indoor and outdoor courts for the community. Woodland lake is a huge benefit to the community and I think the water level in it should be maintained and not allowed to be drained for private water use rights. Also, some survey questions should have an option of don't know or haven't needed/no experience. Thank you very much for doing this survey!	9/7/2022 7:53 AM
268	Get Realtors off P&Z where their decisions on zoning changes enhance their bottom lines. We need to check growth and take care of current citizens. Enough is enough. Protect the Tatiyee exchange parcel from commercial development that could adversely affect our traffic congestion and lifestyles.	9/6/2022 10:42 PM
269	Our streets are in poor condition and the town has an overall dirty appearance and too much vacant commercial real estate. Our roads are in overall bad condition and being patched up instead of repaired or resurfaced correctly. I feel too much time is being spent on the parks and recreation maintenance and our roads, drainage ditches and right of ways are a mess.	9/6/2022 3:29 PM

sell anything I need. I end up going to Show Low for most things. I buy a few things online and make the occasional trip to a big city for a few other things. I have never been in at least half of the businesses in Pinetop-Lakeside because they offer nothing that interests me. A huge problem here and nationwide is the disconnect between the pay for available jobs and the cost of housing. There are not very many good employers providing good jobs in Pinetop-Lakeside. I have no quarrel with events, ball fields or disk golf courses, team sports and the like. I just personally do not participate in those things. Most of the businesses in town cater to tourists as much as or more than to locals, and the town will be dependent on tourism as long as that is true. Unless the town finds some revenue source other than sales tax tourism is essential to the continued functioning of town government. There need to be more marked, designated crosswalks of Highway 260 for pedestrians and bicyclists. I realize this isn't the town's responsibility, but surely the town must have some influence with ADOT. I've lived here for decades and I know absolutely nothing about the Senior Center. Does the town have anything to do with it? There were previous efforts at long range planning. What became of those? Some parts of those previous efforts must still apply, and revisiting those might help avoid unnecessarily redoing some things. It would also be worthwhile to see how much progress has been made on previously identified goals and projects and perhaps update them.

278	You need to STOP letting any new business from cutting down all the trees down from the frontage facing the road. You have allowed this and you are ruining the whole atmosphere of our town. Other resort towns keep all their natural foliage to maintain the feel of the area. If I wanted a wiped out look I would just stay in the city. 300	Woodland Lake Park is so low on water. Needs some TLC as that is a Town favorite for hiking, walking, fishing, etc.	9/2/2022 2:42 PM
301	Better road care. Surface roads need better maintenance. Have requested over the last 4 Years to have Arlene In off of Woodland Lake Rd paved as it is a direct entry into the Woodland Park Estates 2 and has a lot of traffic from delivery trucks to locals to people just driving around. It Creates a lot of dust that affects many households of senior citizens with health issues that live directly off and around Arlene and Yavapai LN. Was promised it was going to be paved a few years back but Covid happened. This was per conversation with Dustin Whipple who is no longer there.	9/2/2022 1:48 PM
302	We live in woodland park estates and have been trying to have Arlene lane paved. It is the only road into the community that is not paved and is used frequently. It's very dusty in summer months and a hazard for some of the elderly in the community. Thx for your time.	9/2/2022 1:42 PM

We had to hire a lawyer within 6 months of him attending school here. Admin was called out for doctoring documents, harassment, etc. We've had to send our child out of town to attend better schools. Talking to community members, it appears Blue Ridge gets away with this behavior all the time. their time and having fun while their parents have their things to do.

312	The town could bring in literally millions of dollars promoting mountain biking and working with the USFS to develop a better trail system accessible from town. Mountain bikers bring business to hotels, restaurants, breweries etc. The USFS needs to get on board with helping the town with its economic growth in this direction. We could be a major destination cycling location with not too much effort. Need safer roads for cyclists.	9/1/2022 11:34 PM
313	Would the senior center be open to hosting an inter-generational playdate? We do not have any grandparents nearby and I know many of the seniors would love to spend time with children as they may miss their grandchildren or not have any of their own. This is something I have seen in other countries such as Australia, and I think it is a wonderful idea and would be happy to have my children participate.	9/1/2022 9:20 PM
314	Frontier needs to follow up on customer complaints. ( I realize this is not the town's issue.) Our community has utility posts that have fallen over with unsafe exposed wires. Frontier will not come out and remove them at Country Pines Townhomes. We have called for over a year. Who do we complain to?	9/1/2022 9:20 PM
315	Need to be progressive & look at new technologies to help with new jobs, affordable housing.	9/1/2022 9:15 PM
316	Vacation homes. So many people are coming up and buying vacation rentals that it is difficult for our residents that want to stay here to find affordable housing. Many of the people are paying above asking price for these houses which makes it almost impossible for full time residents to be able to buy a house anymore. Many younger families are going to have to start moving to SL and SF to be able to live on the mountain. That takes away from our schools and those who would contribute to the workforce in town.	9/1/2022 9:10 PM

324	The Lakeside cemetery badly needs grass and more regulations on what can be done on plots. Show Low is so much prettier and better maintained so even long time residents choose Show Low over Lakeside. It just makes sense to be buried where you lived but we just can't choose the dirty Lakeside option.	9/1/2022 3:02 PM

326	Try to seek out younger towns people to run for city council. We need a good mix not just those aged 60 plus. I think only one person under the age of 55?	9/1/2022 2:22 PM
327	The scam problem with the local contractors is horrible!!! EVERYONE I know including myself has lost money while attempting to support local businesses. Perhaps the development of a list of local providers that has been vetted by the city would be helpful. When it is more cost effective to bring in contractors from Phoenix to build a home than work with the local companies that steal your money and don't show up or leave halfway through your job is not the reputation Pinetop-Lakeside should have. That is what it is now.	9/1/2022 1:52 PM
328	I love living here, but I am disgusted with the lack of resources for those who live here. It's losing its small town feel.	9/1/2022 12:25 PM
329	As a rural, remote area with a LOT of families, we need to provide social outlets for children and teens. Our childhood suicide rate in the White Mountains is above average. There is more we can do to support mental health support via social and community opportunities for young people. We need to support our schools and invest in our future.	9/1/2022 12:09 PM

330	With maximally reliable internet/electricity connectivity, we could attract and develop "clean" (cyber-)businesses to improve the employment situation and possibly keep more HS/NPC graduates in the area.	9/1/2022 12:07 PM
331	The roads are crap!	9/1/2022 12:03 PM
332	I love this town and believe that a commitment to economic development and growth creates opportunities for families to live and grow here. This shouldn't just be a great place to retire, it should be a great place to live and raise a family.	9/1/2022 10:51 AM
333	Our town should be thought of as the "Aspen" of Arizona. The building, zoning, and architecture styles should reflect community driven charming historic town with conscious environmental friendly and sustainable growth including music festivals, hiking and biking trails interconnecting in, around and within city.	9/1/2022 10:16 AM
334	The Town is doing all they can to support business/commercial growth. Unfortunately there is a very small group of people that want to block any development in the community. Very disheartening and frustrating.	9/1/2022 9:37 AM
335	I would like to see more zoning control for yard clean up. I understand alot of residents store their business equipment and supplies in their yards, but some of the yards are just trash and laziness and look like fire hazards and hazards in general. It does bring down the values and outsiders opinion of our town.	9/1/2022 9:13 AM
336	The town is not very accessible. Work with Show Low and County to develop a more accessible community. A path for walking and biking should run from the Show Low City Park to the Pinetop County Club. The entire community should focus on being a fire adaptive community including money directed towards Firewise and fire sprinkler systems in residential and commercial structures. Pinetop Fire should also consolidate with Timber Mesa to create operational and fiscal efficiencies. Pinetop Lakeside PD should consolidate with Show Low PD to create operational and fiscal efficiencies.	9/1/2022 8:37 AM
337	Please govern/manage according to what is needed and healthy for the community... those who live here. The rest (tourism) will follow. Our area cannot support visitors if there is no affordable/available housing for the amount of employees necessary to staff businesses. Traffic laws need to be enforced if our streets have any hope of remaining safe. We need childcare options so parents can go to work without worry. Growth is inevitable, but the quality of that growth is what is important. If the powers-that-be only listen to those who have money, those who shout the loudest, those who will only vote a certain way, we are doomed as a society and won't survive, no matter how many surveys are requested of the community.	9/1/2022 8:16 AM
338	Check out Provo utahs indoor rec center it has child care splash pad summing pool picklball courts track food court etc and it also has rooms that can be converted to conferences spaces we need a place for families to do more indoor activities during inclement weather which we have a lot of here also the parking at the public library is horrible why is there only a few parking spaces and then when there are events at the Jack barker park there's no where to park except the theater and that means taking up their business space and hauling little kids across traffic also there's no stroller path at woodland lake that leads from the lake to the playground and the parking for soccer is miserable too I've seen so many older people trying to support their kids that have to stop and catch their breath multiple times as they walk from the fields to the main parking lot and why did we do a cell one tower when most of us have Verizon	9/1/2022 8:04 AM
339	Slow, sustained growth was not an option in the survey. When it's out of control (like it is now), it hurts the entire community. I'm not against growth. But the last few years have been INSANE. Also, we can't just pick between tourists or locals when it comes to what we are going to support. It has to be both. We need to develop services for our community... absolutely. Nobody will want to live here if they feel the town only caters to the tourists. And nobody will want to visit if they feel unwanted. And for decades, our town has relied on tourist dollars, plain & simple. At this point in time, I do feel our local population has more needs. So there should be a heavier emphasis on taking care of our community. And a happy, thriving community will be a natural draw to others who may want to visit our beautiful town.	9/1/2022 7:46 AM
340	I would like to see overall improvement and community support for tourists BUT at a controlled and sustainable rate. This likely means finding a way to increase costs for tourists without increasing costs for residents.	9/1/2022 7:21 AM
341	I think in your initial questions you should have a "satisfactory" option. I choose "good" because I felt "poor" wasn't a good choice. Also I think we have a TON of low income housing	9/1/2022 7:12 AM

options and high end options. Folks somewhere in the middle are in a bind. I also think the town needs to mandate the buildings along 260 have a facelift. The town itself is looking very worn. Uninviting. Dilapidated buildings. Also used car lots on every corner. Pinetop looks the way Show Low used to look and now Show Low is beautiful. That's embarrassing.

342	<p>1. A YMCA!! 2. A children's museum!! 3. A larger better visitor center that is more of a community center. ☆4. SERIOUS Regulation/restriction &amp; permitting of pine tree removal on residential spaces, for businesses &amp; their parking lots. We must protect the natural landscape better and not allow any one space to level their lot! we do not have the time it takes for the ponderosa to grow to maturity. If this keeps up we will not be a forest anymore vs a place with trees on forest land primarily. 5. Another main route or connection of existing roads for travel through town, other than the 260. 6. Consistency in easement regulation to include more natural space and pine trees. AND a-frame/flag advertising and political/social promotion.. it is visually overwhelming and looks like trash driving through town. *especially the abortion sign on what was apprieved/erected as a commercial sign. Should remain as commercial use only or be removed/ a new permit sought. That is an easement sign regulation issue/problem. And a grrat example of promoting natural space/ retaining trees in the easement is the jr/high school.. Beautiful!!! Large area used for buildings and parking but designed with nature in mind. Same needs to be for residential, too!! 7. More (&amp; attractive) community signs to direct people from the 260 at intersections. Ie: nature center, recycling center -&gt;, woodland park -&gt;, woodland lake/turkey track/playground/boat slip/walking path, etc.. to guide motorists to activity/social opportunities 8. Better incentives for businesses to use existing buildings vs constructing new- or incentives for current commercial building owners to rent to local small businesses/community space. 9. A local garbage/recycling service. How can we live in a natural forest and not encourage curb-side recycling?? 10. More public community member boards, groups, think tank stmposium opportunities to volunteer and address issues. I have offered seceral times to assist &amp; never been taken up on it. Would promote more community involvement. Many many residents have the time and background to contribute and develop; and not everyone can attend town meetings. 11. Did I mention a children's museum and either a ymca or full community center?!? Wink-wink!! *Thanks for the opportunity to be able to participate/express.</p>	9/1/2022 4:13 AM

It's more important than ever to increase services to accommodate the growth. Waiting in line for groceries, and restaurants is annoying- we have that in Phoenix. Having to go to Showlow for drugs and most household needs on top of the wait deters me from moving there full time. 384	White Mountain needs to be assessed as to traffic patterns and maintenance. Additional traffic lights are warranted and more basic painting of road lines etc is critically needed in parts of the road. In addition, since there is so much traffic additional lights are also needed for safety.	8/31/2022 2:19 PM
385	Air BnB's and Vrbos are a big problem, they take up most of the housing/rentals for locals which causes over crowding for restaurants, grocery stores, and traffic.	8/31/2022 2:05 PM
386	I struggle to find healthy food options on the mountain. Any vegetarian options tend to be fried food or carbohydrates. There is almost a total lack of vegan food options in Pinetop Lakeside. Since LaVie closed the options for dining out are minimal.	8/31/2022 1:51 PM

394	We appreciate all you do for our community! We love Pinetop-Lakeside!	8/31/2022 12:09 PM
395	Road maintenance especially on dirt roads, Internet service to rural parts of town. Frontier is our only option and they promise ZERO service. I have a letter from them stating that! Water connection depends on the homeowner paying for providing the service. Running 120 feet of pipe to connect they charge \$45,000. Electric service is fine!	8/31/2022 12:07 PM
396	Please give some consideration to bringing high speed internet to rural neighborhoods just outside the PTLs city limits.	8/31/2022 12:01 PM
397	More public awareness on crime.	8/31/2022 11:52 AM
398	Yes. I love having a second home, more like a ski cabin in Lakeside. I think that I was most surprised at my inability to get any kind of TV that was not cable or satellite in my area.	8/31/2022 11:51 AM
399	No	8/31/2022 11:31 AM
400	Old dilapidated buildings should be removed. Too many junky places on the main road. Also signage is hard to see for businesses	8/31/2022 11:25 AM
401	Fix the roads pot holes etc. More police on the 260 too many speeders	8/31/2022 11:19 AM
402	Very slanted toward green space. Need decent roads...slow down traffic, traffic light at Chevron intersection...shopping venues...kids activities. GROCERY STORE! Very	8/31/2022 11:09 AM

## Pinetop-Lakeside Community Survey 2022

	disappointed with the current council.	
403	There is a general hostility of visitors and part-time residents. It has grown to fear of safety and the news of hatred is spreading. The AirBnbs are buying properties and not respecting the use of land or neighbors. Noise and litter have increased greatly.	8/31/2022 11:00 AM
404	Growth of better network both cellular and internet these support not only life saving but communication	8/31/2022 10:49 AM
405	A rating of fair in your survey would help. ADOT always seems late in starting to do repairs before the summer rush. ADOT do "local" promotions of roadside clean up. Straighten bent road signs. Business parking lots maintenance eliminating pot holes after this rainy season. While out in community talking to seniors I hear them mention they would like more senior events like BBQ's, ice cream socials reaching them. If the economy comes back, perhaps emailing businesses to put effort in cleaning up their properties, clean windows, flower pots, smiling, polite employees (if they show up). Street cleaning machine used and encourage businesses to sweep sidewalks...could this be a school community project. P-L Library needs a larger meeting space/classroom. They are accomplishing a lot in limited space. More public computers, perhaps. Grants are helping them. You have a Center for Tourism in the Town Hall but residents could use a Social Service Center. Churches and Charities are attempting to fill the gap. Maybe they can coordinate their services so we can identify who and how the public is serviced. Has the local school districts identified what Covid funding they received and how it is used. News coverage on how the school district plans to raise their test scores in the post Covid period.	8/31/2022 10:40 AM
406	Before pushing for more growth of tourism, consider looking at the infrastructure and how it can be improved to handle any increase so that the quality of life for the residents is not impacted	8/31/2022 10:12 AM
407	There's a blind eye with real issues that affect the residents here. Many residents struggling with homelessness, not being able to make a decent wage, lack of children care. The percentage of single mothers are at an all time high. Not being able to afford to live here due to lack of affordable housing etc.	8/31/2022 10:10 AM
408	Relax the new business requirements and restrictions PLEASE we need restaurants and things for kids all ages to do.	8/31/2022 9:39 AM
409	no	8/30/2022 3:05 PM
