COMMUNITY SERVICES DEPARTMENT UNVEILS NEW TOWN WEBSITE

Marketing Coordinate Annie DeRosier has spent countless hours over the last several months conducting a complete update and overhaul of the Town's website. The new website, which is now live, will continue to be a work in progress over the next few weeks. It now offers a much more user-friendly experience and has integrated a previously independent website for the library into the Town's website. The new website still can be found at www.pinetoplakesideaz.gov.

ANNEXATION NEWS

Several Town departments, including Community Services, have been assisting a community organization interested in pursuing annexation of several areas of Pinetop and Lakeside currently outside of Town limits. "Residents Without a Vote" is surveying public interest in the annexation of four communities: Lakeside (East & West), Pinetop Country Club, Porter Creek Estates & White Mountain Summer Homes. The group asked the Town to assist them in creating a survey to gather input from residents of those areas to gauge interest in being annexed into the Town. You may take the survey at <https://www.surveymonkey.com/r/ptlsannex>

BUDGET PLANNING

The Community Services Department has drafted its department budget for 2024-25 and presented the requested budget to the Town Council. In addition to the department-specific budget, Community Services also is responsible for the Town's Tourism budget, which also has been submitted to Council for review. The Town Council is scheduled to tentatively adopt the FY25 budget on June 27.

EVENTS: TILLMAN HONOR RUN

The Town's Community Services staff, in partnership with the White Mountains Chapter of the ASU Alumni Association, hosted the 7th Annual Pinetop-Lakeside Tillman Honor Run on April 6. The Honor Run took place at Woodland Lake Park, with all proceeds benefiting the Pat Tillman Foundation. Despite a dusting of snow the night before the event, about 60 of the 71 registered participants made their way around Woodland Lake. We extend our thanks to the ASU Alumni Association, Walking Down Ranch, and the Donor Network of Arizona at Summit Hospital.

BUSINESS RELATIONS

Staff continues to work closely with The Chamber of Commerce for Pinetop-Lakeside. The two organizations are working toward a partnership to cooperatively produce the Color Run at Woodland Lake Park on October 12. The Town has produced the Color Run for the last three years and is now working with the Chamber to expand business participation in the event. Most of the Town-produced events have a business participation element and the Town hopes to work with the Chamber to elevate those opportunities.
