

TOWN OF PINETOP-LAKESIDE

RESOLUTION NO. 17-1398

A RESOLUTION OF THE MAYOR AND TOWN COUNCIL OF THE TOWN OF PINETOP-LAKESIDE, ARIZONA, APPROVING NAVOPACHE ELECTRIC COOPERATIVE, INC.'S ESTIMATE FOR UTILITY RELOCATION ON WOODLAND ROAD.

WHEREAS, the Town of Pinetop-Lakeside (Town) desires to engage Navopache Electric Cooperative, Inc. to facilitate the relocation of four (4) primary three-phase poles; and

WHEREAS, the Town and Arizona Department of Transportation (ADOT) are in the final design phase for Project SL 632 01C Woodland Road Pathway – Navajo – Settlers Lane; and

WHEREAS, responsibility for utility relocation is assigned to the Town of Pinetop-Lakeside, and utility relocation is necessary to complete Project SL 632 01C; and

WHEREAS, NEC submitted an estimated cost for the relocation of four (4) primary three-phase poles in the amount of \$43,808.00, attached as Exhibit "A".

NOW, THEREFORE, BE IT RESOLVED by the Mayor and Town Council of the Town of Pinetop-Lakeside, Arizona, hereby approve Navopache Electric Cooperative, Inc.'s estimate for utility relocation on Woodland Road in the amount of \$43,808.00, and authorize the Town Manager to execute all documents necessary to complete the project.

PASSED AND ADOPTED by a majority vote of the Mayor and Town Council of the Town of Pinetop-Lakeside in an open meeting on this 16th day of March 2017.

RE: Relocate four primary three phase poles

We have prepared a preliminary paper cost estimate based on information supplied by you to relocate four primary three phase poles for walkway.

The estimated cost is.....\$ 43,808.00
Total advance payment due prior to construction.....\$ 43,808.00

Due to the fact that construction costs change very rapidly, the cost figures quoted are valid for 45 days.

Please understand this estimate is based on the availability of easements for this routing. The consumer is responsible for the clearing and disposal of trees and shrubbery in all easements. If the installation of underground power lines are an option of this estimate, all trenching, conduit systems, backfill material and the backfilling of the trenches to the specification of Navopache Electric Cooperative, Inc. is the responsibility of the consumer and is not part of the above cost.

If you have any questions regarding the contents of this letter, design of the power line, right-of-way clearing, or easements, please contact me locally at 928-368-1205, or toll-free at 1-800-543-6324, ext.205.

If the above terms meet your approval, please submit a Non-Refundable \$500.00 Engineering fee and we will proceed with this project.
